VOL. XXXVI.

STANFORD, KY., FRIDAY, MARCH 6, 1908.

NO. 2.

Senator W. O. Bradley.

Mr. John D. Wakefield has this to say about Senator Bradley in the Cincinnati Enquirer:

The new Senator is an engine of force, magnetism, fight and oratory. Every morning before the sun has crept over the tops of the buildings on the East side of Fourth avenue, and the main thoroughfare of the city is almost enveloped in smoke and fog, a little, chubby, rosy-cheeked man will be seen walking briskly in the avenue. His shoes never shine, and if one will take the trouble to observe closely the chances are that the shoes will be found somewhat muddy. His trousers bag at the knees and show that they never had a crease in them since they were purchased. A little light overcoat, badly crumpled, and perhaps torn in a place or two, a soft white hat, a relic of numerous political campaigns, and black coat and vest and a little black string tie that has seen too much service and is beginning to frazzle at the ends, convince the observer that the little chubby man does not care much about his personal appearance. Both overcoat pockets are always filled to the bursting point with newspapers, law briefs and sometimes small books. Those to whom the little man is a familiar figure know that he does not shave every day, and sometimes his beard is rather long. A stogie is nearly always in the corner of his mouth, but occasionally he substitutes a little short pipe for the stogie. One who did not know him would never be attracted by his appearance until he got a good look into his luminous brown eyes or heard him speak. The eyes show the man's great mentality, and his voice, which is as clear as a bell, would convince anyone of his ability as an orator. This little man is the United States Senator-elect from Kentucky.

IN MEMORIAM.

In memory of little Walter Charles Rice, who died Dec. 19, 1907, at Lebanon Junction:

I shine in the light of God,
His likeness stamps my brow,
Through the shadow of death my father treads

And I reign in glory now.
No breaking heart is here,
No keen and thrilling pain,
No wasted cheek where the frequent tear

Hath called and left its stain.
I have found the joy of heaven
I am one of the angel band,
To my head a crown is given,
A harp is in my hand.
I have learned the song they sing,
Whom Jesus hath made free
And the glorious walls of heaven still ring
With my new-born melody.

No sin, no grief, no pain,
Safe in my happy home,
My fears all fled, my doubts all slain,
My hour of triumph come.
O friends of my mortal years,
The truest and the true,
You're walking still in the vale of tears,
But I wait to welcome you.

Do I forget, Oh no,
For memory's golden chain
Doth bind my heart to the hearts below
Till they meet and touch again.
Each link is strong and bright
And love's electric flame
Flows down like a river of light
To the world from whence I came.

Do you mourn when another star
Shines out from the glittering sky,
Do you weep when the noise of war
And the rage of conflict die?
Then why should your tears roll down
And your hearts with grief be riven
For another gem in the Savior's crown
And another soul in heaven.

Best Healer in the World.

Rev. F. Starbird, of East Raymond, Maine says: "I have used Bucklen's Arnica Salve for several years, on my old army wound, and other obstinate sores, and find it the best healer in the world. I use it too with great success in my veterinary business." Price 25c. at Penny's Drug Store.

Unnerved by the news of his brother's death in a hospital Charles Arner, a railroad conductor, fell at Mahanoy City, Pa., as he was about to board a train and was killed. His brother, Henry, also a conductor, was killed in the same way the day previous.

Billy Sunday's Meeting.

DOWNES, ILL., March 2, 1908.—The great revivalist, Billy Sunday, has just closed a six weeks' meeting in Bloomington, Ill. It was the most wonderful meeting he has ever held, about 7,000 people being converted. The tabernacle that was erected for this meeting held 6,000 people and was filled to overflowing a great many times. At his most popular lecture on "Amusements," the building was packed by 5 o'clock and 5,000 tickets were given to those who could not get in and he delivered the sermon again to those holding tickets. He had more converts from this sermon than from any other, unless it was at the men's meeting. The most remarkable feature about the meeting is that there were more men converts than women. The evangelist made the men understand that religion was for them as well as for women. The first two weeks of his revival made one think it was a show and many expressed the determination not to go to hear him again; but he had magnetic power. The last four weeks he got down to business and I never saw as much work done; it seemed to be no trouble to approach one on the subject of religion. The depot agent here would order extra cars for the occasion and they would always be filled. All the small towns in the county would attend the meetings. After the revival closed the churches in and around Bloomington held revivals in order to gather in the converts. The First Christian church of Bloomington had 500 or more additions and other churches had as many. As this is my denomination I feel proud of the number. Mr. Sunday had the largest sum of money given him in Bloomington that he ever received at any revival (\$8,000) but he preached in all the public places and to all the people. He would go to the machine shops, factories and schools and preach and at the court house each day at 1 o'clock he would hold services. The Sunday schools have more than doubled in attendance. The Presbyterians and Methodists have had glorious meetings here. A great many old men were converted.

Bloomington has 80 saloons, but we think from the results of the meeting that the saloons will soon be a thing of the past. The question, how to get men interested in church affairs, has frequently been discussed. If we had an evangelist in every State like Rev. Sunday the question would soon be settled. He is now holding a meeting in Decatur and they are working hard to excel Bloomington. The Decatur Herald gives his sermons in full and it would pay any one to take the paper during the revival. We sent Mrs. J. N. Cash the Bloomington papers during the revival there and she wrote that she could hardly wait for the paper each day. Respectfully,

MRS. H. D. MCCLURE.

Given Up To Die.

B. Spiegel, 1204 N. Virginia, St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Why not let it help you? Penny's Drug Store.

An Angus bull, valued at \$500, and five Berkshire hogs, belonging to Chas. E. Marvin, who lives near Payne's Depot, Fayette county, were killed by a stroke of lightning during the storm of Sunday. The bull was in the center of a 10-acre field and the same stroke knocked a two-year-old saddle horse to the ground but did not injure the latter animal. Two of the hogs were killed 100 yards from the barn and the others in the barn. A peculiar feature was the fact that the exterior of the barn showed no effects of the lightning, although the hogs were killed inside.

MATRIMONIAL.

Remember that when the Stomach nerves fail or weaken, Dyspepsia or Indigestion must always follow. But strengthen these same weak inside nerves with Dr. Shoop's Restorative, and then see how quickly health will again return. Weak Heart and Kidney nerves can also be strengthened with the Restorative, where Heart pains, palpitation, or Kidney weakness is found. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is wrong. Go to the cause of these ailments. Strengthen these weak inside nerves with Dr. Shoop's Restorative and get well. A simple, single test will surely tell. Penny's Drug Store.

On Dec. 19, 1907, the death angel visited the home of Mr. and Mrs. Walter Rice and took little Walter Charles, their 13 months old child. He was a wonderful child, radiantly beautiful, tenderly affectionate and intelligent beyond his months; a bright beam of sunshine in the home and an unfailing source of joy to his parents and relatives. Little Walter had croup and all that loving hands could do to relieve the little sufferer was done; but God knew best. No hopes we could cherish are to be compared with the glorious realities that are now his. The little body was laid to rest in Buffalo cemetery on Dec. 21st. Much sympathy is extended to the heart-broken parents.

For the purpose of expressing their appreciation of the splendid contest made by Gov. Beckham for the Senatorship against tremendous odds, and which would have proved successful but for treachery within the bands of his own party, the Young Men's Democratic Club of Franklin county has made plans and started a movement for a banquet to be given to the loyal Democratic members of the General Assembly at the Capital Hotel on the night of March 12th, at which Gov. Beckham shall be the guest of honor. It is proposed to make the banquet a meeting of prominent Democrats from all over the State, who will be represented by speakers and respond to toasts. The young men of the club are desirous of showing in this way some slight token of their high appreciation of Gov. Beckham, as a leader of the party and expressing their loyalty to him in defeat as in victory and their confidence in his cause, betrayed as it was by wolves in sheep's clothing. The banquet will be a dollar a plate affair, and about 500 guests are expected to be present. The occasion is expected to be one of the most pretentious of the kind ever given under the auspices of the hustling organization, which has always shown that it can do things when it sets out with a purpose in view.

WHEELER CAMPBELL, nephew of Ex-Congressman Charley Wheeler, bolter, traitor and almost any thing else you can think of, was spoken of for Congressman in the First District previous to his efforts to defeat Gov. Beckham. He with the other Igariots, McNutt, Charlton, Mueller and Lillard, were hung in effigy on Main Street at Clinton a few days since. Keep your ears open and see if you ever hear of his being even mentioned for office by democrats again. He couldn't win in a race for dog pelt, it matters not who is pitted against him.

It is all right to "indignate" on Traitor Lillard, the Boyle county democrats did yesterday afternoon, but if they had administered a good, thick coat of tar and feathers when the "misrepresentative" at first refused to vote for Gov. Beckham it would not have been necessary to hold the meeting yesterday. The good Boyle county democrats should have begun the use of heroic remedies earlier in the action.

THE Frankfort Journal, which has watched Hon. W. H. Shanks' manly course in the Legislature, nominates that gentleman for Speaker of the next House, and we rise to second the motion. Nothing is too good for Mr. Shanks, we think, and we are for him first, last and all the time for any thing he may want.

THE bolters, having succeeded in defeating Gov. Beckham, will now, we predict, turn their attention toward democratic Congressmen. Unfortunately, they are the balance of power in several districts. Watch the skunks and count on them voting for the republican nominees.

THE INTERIOR JOURNAL has just passed the 35th milestone on its journey of life. It is just now in the prime of life and now is the time to subscribe.

POLITICAL.

Hon. Adlai E. Stevenson, former Vice President was elected president of the State Federation of Bryan Clubs of Illinois.

Willis J. Bailey, former Governor of Kansas, announced his withdrawal from the race, for the Republican nomination for Governor.

Benjamin H. Ridgely, of Louisville, United States consul general at Barcelona, Spain, has been transferred to the same position at Mexico City.

Representative Lloyd, of Missouri, made the charge in the House that the railroads carrying the mails had robbed the people of \$70,000,000. He called for an investigation of the Post-office Department.

Senator-elect Bradley's statement in which he declares for Vice President Fairbanks for the republican nomination for president was received with great rejoicing by the anti-Taft element in Washington.

United States Senator Redfield Proctor, of Vermont, died at Washington City of grip.

Kansas Republicans in Convention at Topeka elected delegates to the Chicago Convention and instructed them to support Secretary Taft for the presidential nomination.

The South Carolina Legislature met in special session Tuesday for the purpose of electing a successor to the late Senator A. C. Latimer. One ballot was taken in each house without result. F. B. Kary led with 65 votes.

The McChord tobacco bill, which puts representatives of tobacco companies under the police power of the State, passed the House by a vote of 60 to 24. The opponents exhausted the list of dilatory motions in an effort to prevent a vote on the bill.

Since Congressman Ollie James, of Kentucky, had restored to the gold and silver coin, "In God We Trust," Congressman Knowland, of California, wants all clearinghouse certificates to have printed on them "I Know That My Redeemer Liveth."

Senators McNutt, Charlton and Campbell and Representative Lillard and Mueller were hanged in effigy on Main street at Clinton and not only the people from the town but scores from the country came to view the spectacle and laugh at the swinging figures.

Judge Ed C. O'Rear will be declared the nominee of the Republican party for Appellate Judge, to succeed himself. The list of entries closed Sunday, and as Judge O'Rear was the only candidate entered, the District Committee will at once be called together and he will be declared the nominee.

President Roosevelt is believed to be planning a vigorous campaign to force the passage by Congress of his pet measures, including a new employers' liability law and a revision of the anti-trust laws. The President fears, it is said, that the reactionaries will adjourn Congress at an early date, and he is preparing to prevent the consummation of any such plan.

Hon. W. H. Shanks For Speaker of the House.

With the session of the General Assembly barely two weeks from its end, the members of the House are beginning to talk about candidates for speaker for the next session, two years hence. So far but one name has been suggested by the democratic members, who say they feel sure that the House will be so largely democratic next time that the election of a democrat as speaker is practically certain. Representative W. H. Shanks, of Lincoln county, is the man who is being urged by his friends to make the race and he says that he has about decided to yield to their wishes.

Representative Shanks is said to have been assured of the support of some of the most influential democrats on the floor of the House, who hope to come to the General Assembly again. Although this is his first session in the General Assembly few members have ever attracted as much favorable attention as he and his friends say that he will make a very able presiding officer. Representative Shanks is a quick speaker on his feet and a fine parliamentarian. He led in the fight for the appropriation for State College and the Normal Schools, and has taken a prominent part on one side or the other of nearly every measure of importance which has come up.

Mr. Shanks is a farmer and lawyer of Lincoln county and a member of a very prominent family, and takes an active interest in politics. It is not believed he will have any opposition for re-election, in view of the fine record he has made here and his popularity. His county democrats are said to be very proud of the record he has made.—Frankfort Journal.

Powers For Congress.

So certain is he of a pardon for the crime that he was three times convicted and given the highest sentence under the law, Caleb Powers has announced from the Georgetown jail that he is a candidate for Congress this fall in the 11th district. "The nomination," he says, "would convince the world of my entire innocence," but it would do no such thing where the conditions are known. It would simply intensify the belief that he is as guilty as can be. A pardon does not remove doubts of innocence. To be pardoned for a crime shows that there are grounds for the presumption of guilt, and to be nominated for Congress after such an act on the part of the executive will be cumulative evidence that the Republican party believes in assassination as a political weapon and commends and applauds the killing of Goebel. The only complete refutation of the guilt of Powers as charged in the indictment can only come through an acquittal before an honest judge and jury and his haste to thrust himself upon the people until he is so acquitted, if ever, will serve to keep the Goebel assassination an issue between the parties. We do not know, of course whether Gov. Willson will pardon Powers or not. We suspect he will. But if he does, some real friend of the chief of the conspiracy to assassinate Goebel ought to tell him that he injures his own cause by attempting to get such a vindication.—Frankfort Journal.

\$100.00 paid by Dr. Shoop for any recent case of Grippe or acute Cold that a 25 cent box of Preventics will not break. How is this for an offer? PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effects are charming, pleasantly delightful, gentle, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Brush your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

AGAINST THE UNIT BILL.—Judge M. C. Saufley, of this place, was called to Frankfort this week to speak in opposition to the County Unit Bill, and we'll wager he made a good one. However, we are sorry that his energy was not spent on the other side of the question.

HARRY BRIGHT, who is instructor of the Central University Athletic Team, which will be at Walton's Opera House this, Friday evening, is the son of Mr. H. C. Bright, formerly of this place. He is a great athlete and some of his "stunts" border on the remarkable. See him.

MORGAN SMITH, the handsome little son of Mr. and Mrs. M. S. Baughman, fell while playing in the loft of his father's ice house Wednesday and went to the bottom, a distance of 22 feet. His left shoulder was broken and he was otherwise hurt. We are glad to say the little fellow is not dangerously injured.

MR. MERTON's skillful fingers and nimble tongue will cause you to spend a most delightful evening if you will attend the entertainment at Walton's Opera House Friday evening, March 13.

HEMP, the station on Paxton's grade, was discontinued Wednesday until business on this division of the L. & N. picks up. The eight-hour system, which went into effect on the 4th, made it require three telegraphers to hold the job down and the company thought that business did not justify that much expenditure of money.

J. NORTON FITCH, chairman of the Eighth Congressional Democratic Committee, has called a meeting of the committee to be held in Nicholasville on March 14, at 1 o'clock, for the purpose of fixing the time and manner of nominating a Democratic candidate for Congress to succeed the Hon. Harvey Helm. We hope and believe that Mr. Helm will have no opposition for the nomination. Certainly he should have none.

We are glad to see Chief of police B. D. Carter going after the blind tiger operators and bootleggers as he is. It is a hard job to convict them but Mr. Carter is getting a few of them every now and then. A court of inquiry was held Wednesday when true bills were returned against George Middleton, Jeff Bryant and Anderson Carr, all colored. There are two indictments against the latter. Let the good work continue, Mr. Carter, until the last of the whisky sellers is routed.

THE athletic entertainment at Walton's Opera House this, Friday evening, promises to draw a good crowd. It will be a splendid way to help the Stanford base ball boys to buy uniforms and you will see a show worth double the price of the admission, 15c, 25c and 35c. The Central University athletic team has downed its competitor in every contest and some of the boys in it are the equal, if not better than many professionals. Doors open at 7 and the performance will begin at 8 o'clock sharp.

WAYNESBURG.—Mrs. Laura Acton has been very ill but is improving. Mr. R. B. Mahony was here Friday. Dr. W. B. O'Bannon was called here last week to see Miss Ocie Wheeler, who is ill. MONDAY is county court day. The I. J. office will be open from 6 A. M. to 5 P. M. Drop in.

Now is the time to look for your buggy, buckboard or carriage for Spring and Summer use. Big lot to select from. Also harness, farming implements, wagons, etc. E. T. Pence.

ABOUT the most enjoyable thing in connection with circuit court is having Judge W. C. Bell and Commonwealth's Attorney C. A. Hardin with us. They are both charming gentlemen and it is indeed a pleasure to have them in our midst.

NOTICE.—Having removed on Lancaster street, opposite the court-house, I solicit your trade in all kinds of repairing of watches, clocks, jewelry and graphophones. Also such things sold on small commission. Robt. Fenzel, Stanford, Ky.

MR. HAL MERTON, who will appear at Walton's Opera House March 13, may well be termed the popular conjurer for he furnishes humor for laughter and is refined enough for the fashionable; is mysterious to please both old and young.

CIRCUIT COURT.—The suit of Mrs. Annie Engleman against the L. & N. Railroad for \$30,000 damages for killing her daughter, Miss Bessie Kay Engleman, was continued until the next term of court. Nothing worthy of mention has been done since our last report.

JIM TALL, Lee Best, John Kennedy, Hardin and Wesley Hill, John Sandy Withers, Nellie Ann Owsley and Bud Walls, all colored except the last named, who were convicted at this term of court, were sentenced by Judge Bell yesterday and will be taken to Frankfort in a few days.

BADLY HURT.—Mrs. George Hunn, who is a daughter of Mr. Isaiah White, was badly hurt at her home at Moreland Tuesday by the explosion of a dynamite cartridge which had fallen into the coal and which she had just put into the fire. She sustained painful burns and one of her lower limbs was badly lacerated. Mr. and Mrs. Hunn were married only a few months ago.

At a meeting of the Lincoln County Fiscal Court held February, 5, 1908, the following order was entered to wit: "It is ordered by this Court that all County Roads in Lincoln county be worked between the first day of May and the first day of July in each year. And is further ordered that the claims for such work be filed with the Clerk of the Lincoln County Court on or before July 1, in each year." Geo. B. Cooper, Clerk, by E. D. Pennington, D. C.

The board of control of the Montgomery Burley Tobacco Society organization has raised \$1,000 which has been offered as a reward for the arrest and conviction of the person or persons writing the threatening letters recently received by members of that organization.

A five-year-old son of A. S. Irvine, o' Laurel, burned to death by its clothes catching from an open grate.

Paradoxical as it may seem, the defeat of ex-Gov. Beckham for the United States Senate was due to the whisky interests and to the prohibition forces. The Republicans worked both sides, and worked them to a finish. It was a rare example of how both ends could be played in favor of the middle. It is another case where temperance people permitted themselves to be made fools of—where they were made the tools for their own undoing. They jumped into politics and at the last moment during the campaign threw their strength to the Republican ticket, electing in this district alone both the Republican Representative and Senator. Had they kept hands off there would have been Democrats and Beckham would have been elected on the first ballot. As it is their pet measure, the county unit bill, is almost certain of defeat by the Republicans, and they have allowed the whisky interests to send one of their champions to the United States Senate, where he will do their bidding for the next six years.—Owensboro Inquirer.

Good For Everybody.

Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50c. at Penny's Drug Store.
